Light and spacious and beautifully presented, a brief description is as follows:

Entrance into the villa is via a good-sized covered terrace overlooking the fabulous low-maintenance front garden decorated with native flowering shrubs, succulents and plants. Passing through the large hallway currently used as a separate dining area, double doors lead into the light and spacious living room equipped with full hot/cold air-conditioning featuring a corner fireplace and large bay window offering views over the pretty front garden.

The kitchen is located next to the living room and comes complete with fitted units, worktops and appliances. A window overlooks the pool and patio whilst a door conveniently gives direct access to the side of the terrace where the pergola and built-in BBQ is located.

The master bedroom also enjoys views via a bay window to the front of the property over the garden and is equipped with fitted wardrobes, hot/cold air-conditioning and an en-suite shower room.

There are 2 further double bedrooms with air-conditioning, one with fitted wardrobes and there is a 2nd bathroom complete with shower, basin and WC.

Outside the property sits in a private, fully enclosed plot. The cooling private pool is located to the rear of the villa in a sunny corner with a patio for sunbathing or relaxing under the shady pergola. On the opposite side of the villa to the BBQ area is a selection of fruit trees and a small vegetable garden.
