Exciting renovation project! Restore this fabulous historic patio house in the heart of Medina Sidonia, just 30 mins from the coast.

Casa Nido is a lovely property offering loads of potential to create a fabulous family home or holiday retreat in the historic hilltop white village of Medina Sidonia. All amenities are within walking distance of the property along with the charming cobbled streets, plazas, restaurants and bars which line the pretty streets. Good road links offer easy access to the beautiful city of Cadiz in less than an hour and the natural sandy beaches along the coast just 30 minutes drive away.

Originally part of a centuries old larger family dwelling, Casa Nido is a lovely traditional style patio house in need of some love, care and attention to breath life back into the heart of what was, a busy Spanish home.

Arranged around the private central patio, the property is laid out over 2 floors and boasts many of the original features such as beamed vaulted ceilings, arches and alcoves.

Although in need of complete renovation, it's size isn't overwhelming whether a first time developer or seasoned professional. The current layout lends itself to comfortably be converted into a 2 or 3 bed, 2 bath property. In addition to the central patio, it also benefits from a large sunny private roof terrace.

Please see the floor plan provided in the details to better understand the currently layout and potential opportunities for conversion subject to normal planning consent.
