El Puerto de Santa Maria is a large town with all amenities, quality restaurants, pretty historic streets and a small port offering a regular Ferry service across the Bay to Cadiz city. There is also a train station offering good links to Cadiz, Jerez Airport and Seville.

The property itself is nicely presented throughout and a brief description is as follows:

Entrance into the property from the tarmac street and steps leading up to the covered porch and door into the main hallway. There is a lovely light living room with feature fireplace extending into the dining area and on into a fabulous garden room with a door giving access to the rear garden.
