Originally part of a larger traditional townhouse, the apartment is accessed via a communal walkway pleasantly decorated with lush plants and flowers. The apartment is located on the first floor. A brief description is as follows:

Steps lead up from a communal patio to the main entrance into the apartment. This leads directly into the open-plan living area with living room and modern kitchen with space for a small dining/breakfast area. The open plan kitchen has recently been refurbished and includes stylish cupboards, a marble style worktop and new ceramic electric hob and oven.

To the right are 2 double bedrooms. A door from the living room gives access to the bathroom with shower, basin and WC. The hot water is powered by an electric combi-boiler.

The communal roof terrace shared with just one other neighbour is accessed via a staircase which continues from the main hallway. This terrace offers plenty of space for sunbathing and offers a partial seaview and across the rooftops of Conil.
